Kodak
Scan Station 100 Plus

Capture documents. Send them anywhere. Make the most of the information they contain.

Equipped with KODAK PerfectPage, the Scan Station 100 plus provides outstanding image quality even on challenging documents.

How can you ensure that everyone in your business has the information they need? How can you share information, while lowering costs and saving time? The Kodak Scan Station 100 Plus offers you a powerful desktop solution – a multi-purpose device that easily scans and sends information. The Scan Station 100 Plus is packed with pluses that make it easy to use, provide enhanced security, aid system administration and enable ergonomic operation.

Email address lists

Fax numbers

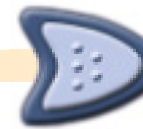

Printers

Portable USB drives

Network folders

And more

Benefits for your business

- Combines scanning and sending in one device – no PC hardware or software to purchase
- Share information in seconds – in colour, black-and-white or greyscale
- Walk-up easy, with minimal training needed
- Integrates with your existing office network
- Easily customizable to handle everyday work tasks

Be sure of security

- Secure login using LDAP
- PDF private key encryption for an extra level of security
- Enable/disable scanning to portable USB drives to ensure your data stays where you want it

One-button scanning and sending

Inbound and outbound fax capability available

Scan a multiple-page batch and create single-page PDFs

Add unlimited documents to a batch in progress

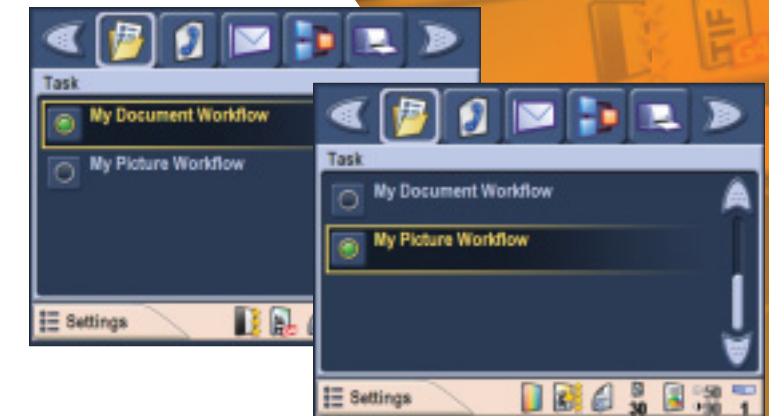

Like searching for email addresses, search network folder groups for specific destinations

Scan in one language and perform OCR in up to 14 other languages

Designed for system administration

- Tracking of user transactions, from login to logout
- For frequent jobs, combine settings and destinations into one task
- Enable faster scanning by turning off the Settings and Destinations preview screen

Get your hands on excellent ergonomics

- "Whisper-quiet" operation, appropriate for any work environment
- Easy operation with rotatable colour touch screen
- Special feeder included for quick scanning of ID cards and other small documents
- Intuitive user menus in 14 major European languages

**EXPERIENCE
EASE OF USE**

Extend your 12 months warranty to a 36 months on-site service coverage including:

- Help Desk Support in local language
- Advisory help for hardware installation
- Parts, labour and travel costs
- Next business day response
- Support by a Kodak Service Specialist
